

IP Telephony Service

"Central" Rate Plan

(effective as of 01.05.2010)

1. Rates for telephony calls

1.1. Billing details

- Minimum charge of 1 minute
- Per second billing after the first minute
- Prices are in BGN and do not include VAT

1.2. National calls

| Type of call | Rate |
|---|-------|
| Calls to Orbitel fixed-line telephony service subscribers are free of charge | free |
| Local calls to other fixed-line operators | 0.028 |
| Long-distance domestic calls to other fixed-line operators | 0.064 |
| Calls to Bulgarian mobile operators peak traffic (9.00-21.00) | 0.30 |
| Calls to Bulgarian mobile operators low traffic (21.00-9.00, on the weekends) | 0.23 |

1.3. International calls

International calling rates are defined, based on the type of the terminating operator - fixed-line or mobile.
